Healthy & nutritious Delicious & indulgent

It all started with charcuterie.
And even today, Volys' main objective
is to bring new flavours, delicious
recipes, using innovative techniques
guaranteeing long shelf life, ... and
present premium turkey and chicken
cold cuts.

Healthy pleasure

Volys' products are a perfect match with the varied, healthy lifestyle that many consumers and professional customers consider important nowadays: they are nutritious, easy-to-use and meet the strictest quality standards.

We aim to make it easy for consumers and professionals to opt for delicious, healthy nutrition.

With Volys, we want to be more than a manufacturer – we want to inspire people each day.

Innovation

Innovation is in our DNA. Each day, we bring a love of the craft to our quest for innovative products and ways to use them.

In order to provide long-distance exports without sacrificing quality or shelf life, Volys has invested in the HPP (High Pressure Pasteurization) technology.

Differently delicious

Volys is an innovative specialist in high quality chicken and turkey products.
Volys was founded in 1946 in Lendeledede (Belgium).

Cold cuts, breaded meal components and precooked products made with chicken and turkey are sold in both chilled and frozen form, through retail, butchers and food service suppliers or as semi-finished products for industrial clients.

In order to provide long-distance exports without sacrificing quality or shelf life, Volys has invested in HPP (High Pressure Pasteurization) technology.

Our factory is IFS higher level and Halal approved.
